

# RENEWABLE ENERGY CERTIFICATE

Certificate No. 2019-762

We hereby confirm  
CenturyLink Communications Germany GmbH  
Rüsselsheimer Straße 22 in 60326 Frankfurt am Main

the purchase of 100 % green electricity from renewable energy plants with statutory environmental standards.

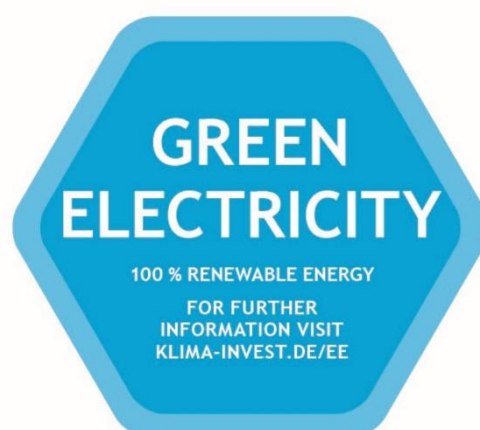

The guarantees of origin are issued towards renewable energy plants which comply with statutory environmental standards whilst being connected to the European grid. Furthermore, they fulfill the criteria for KlimalInvest ÖKOSTROM by KlimalInvest Green Concepts GmbH.

**CenturyLink Communications Germany GmbH achieves climate neutrality for its estimated electricity consumption by purchasing 170,637,000 kWh green electricity in the period from 01.01.2020 to 31.12.2022.**

**Compared to an electricity generation through energy sources, constituting the German energy mix at the time of issuing this certificate, up to 74,688 tons of CO<sub>2</sub> emissions will be saved through purchasing and using renewable energy.**

The decommissioning in accordance with § 30 Guarantees of Origin Implementing Ordinance (HkRNDV) is carried out and confirmed by the registry of the German Environment Agency.
